SUMMER BREAK: JULY 25 - SEPTEMBER 6, 2007

THE 14TH ANNUAL ASSESSMENT TEST

The 14th Abacus & Mental Arithmetic Assessment Test of the U.S.

It's that time of year again! All students who have attended abacus/mental arithmetic classes are qualified to register for the Chinese American Abacus Association's 14th Annual Abacus & Mental Arithmetic Assessment Test in the United States. The test consists of three sections: abacus, mental arithmetic, and a mathematics section used for teachers' reference.

The test not only helps you understand how your skills continue to progress, the results are also a useful benchmark so that your teacher is better equipped to fine-tune your PowerMath learning experience! Please register with your teacher ASAP and ask if you have any questions!

Registration deadline: April 16, 2007

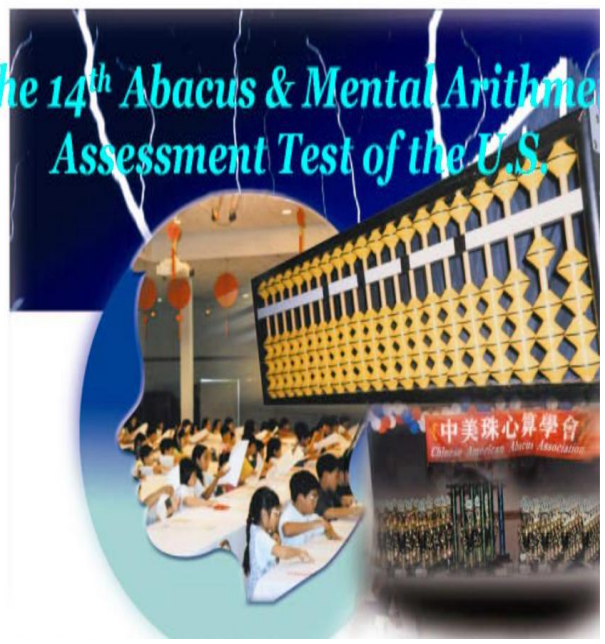

Testing Info:

Northern California: May 20
~ Biltmore Hotel & Suites
Santa Clara, CA
Southern California: May 19
Midwest: May 18

Awards Ceremony:

Northern California: June 3
~ TECO Culture Center
Sunnyvale, CA
Southern California: June 2
Midwest: June 1

For more information and to download registration forms, please visit CAAA's website at www.caaa-abacus.org.

TIME TO FLY

PowerMath students are invited to participate in the **THREE** international events that are being co-sponsored by CAAA this summer (see upper left-hand corner of this page!). For more information and/or to apply for space on the competition tour, please contact your teacher or Ms. Huang (at the number above) as soon as possible! Spaces are limited. Family members are welcome to join our student competitors – why not make a fun family trip out of it? We encourage our parents to support your youngsters in this fabulous opportunity to see the world and engage in cultural exchanges with students from other countries.
