PowerMath *spotlight*

WINTER 2007

WINTER BREAK: DEC. 22, 2007 – JAN. 4, 2008

DIRECTOR'S NOTE

Dear PowerMath Parents and Students,

PowerMath is off for the next two weeks and classes resume on January 5, 2008. On behalf of everyone here on the PowerMath staff, we wish everyone a joyous holiday season. May the New Year bring health, happiness and prosperity to you and your loved ones.

Cheers,

Ms. Huang

While we step into high gear for holiday shopping, we also step into the high crime season. Please do not place valuables (purse, gifts, laptops, etc.) in exposed areas in your car. Store such items in the trunk to avoid break-ins.

STUDENT DROP-OFF & PICK-UP

As the nights get darker earlier, we would like to remind parents to please accompany your children to the classroom door (particularly younger students) when dropping them off for class, and to arrive early to pick them up after class. Please make sure that your children do not stay outside waiting in the dark. We recommend coming to the door at the end of the class hour to ensure student safety during the dark winter hours. Thank you!
